for Property known as 21 BLUE HOSTA WAY ROCKVILLE, MD 20850

NOTE: This notice does not apply to: (1) the initial sale of single family residential property which has never been occupied, or for which a certificate of occupancy has been issued within one year prior to the date of the Contract; (2) a transfer that is exempt from the transfer tax under Subsection 13-207 of the Tax-Property Article, except land installments contracts of sale under Subsection 13-207(a)(11) of the Tax-Property Article and options to purchase real property under Subsection 13-207(a)(12) of the Tax-Property Article; (3) a sale by a lender or an affiliate or subsidiary of a lender that acquired the real property by foreclosure or deed in lieu of foreclosure; (4) a sheriff's sale, tax sale, or sale by foreclosure, partition or by court appointed trustee; (5) a transfer by a fiduciary in the course of the administration of a decedent's estate, guardianship, conservatorship, or trust; (6) a transfer of single family residential real property to be converted by the buyer into a use other than residential use or to be demolished; or (7) a sale of unimproved real property.

Section 10-702 of the Real Property Article of the Annotated Code of Maryland ("Section 10-702") requires that a seller of a single family residential property ("the property") deliver to each buyer, on or before entering into a contract of sale, on a form published and prepared by the Maryland Real Estate Commission, **EITHER:**

- (i) Except for latent defects of which the seller has actual knowledge, the seller makes no representations or warranties as to the condition of the real property or any improvements on the real property; and

- (ii) The buyer will be receiving the real property "as is," with all defects, including latent defects, that may exist, except as otherwise provided in the contract of sale of the property.

Section 10-702 provides that a buyer who does not receive the disclosure or disclaimer statement on or before entering into the contract has the unconditional right, upon written notice to the seller or seller's agent:

(ii) To the immediate return of any deposits made on account of the contract.

Your right to rescind the contract under Section 10-702 terminates if not exercised before making a written application to a lender for a mortgage loan, if the lender discloses in writing at or before the time application is made that the right to rescind terminates on submission of the application or within 5 days following receipt of a written disclosure from a lender who has received your application for a mortgage loan, if the lender's disclosure states that your right to rescind terminates at the end of that 5 day period.

Your rights as a buyer under Section 10-702 may not be waived in the contract and any attempted waiver is void. Your rights as the buyer to terminate the contract under Section 10-702 are waived conclusively if not exercised before:

The following footnote references apply only if the table above has a foot number reference.

1. Phase in value comes from the data base at the Maryland Department of Assessments and Taxation <http://www.dat.state.md.us/>, Real Property Data Search. The phase in value is for the next fiscal year, if available, otherwise the phase in value is for current fiscal year.
2. Tax rates come from the current property tax bill, which also may include several non-tax charges, at the web page of the County Government's Department of Finance: <https://www.montgomerycountymd.gov/finance>. Look for a link to "Pay or view your property tax bill on line".
3. County Property Tax is the sum of the General Fund tax and several special fund taxes.
4. All non-tax charges (for example Solid Waste, Water Quality Protection, Bay Restoration Fund, WSSC) are the charges in the current fiscal year. These charges may be different in the next fiscal year.
5. This property is located in an **existing** development district. Each year a special development district assessment must be paid. Effective every July 1st, the rate will change based on changes in the property assessment and debt service requirements. More information is available in the [FAQ](#) section of this website.
6. You must update the estimate for the property taxes and other non-tax charges
 - a. Every July 1, because the tax rates, phase-in values, and other non-tax charges will or may change; AND ALSO
 - b. In early January if the calculation used the phase-in value for the current fiscal year instead of the phase-in value for the next fiscal year, because SDAT had not yet specified the phase in value for the next fiscal year. This occurs in the period July 1 - early January in the third year of the three year assessment cycle.
7. This property is located in a **proposed** development district. At some date in the future, development district taxes may be levied to pay debt service on bonds issued to build infrastructure in the district. It is important that property owners recognize that this additional tax may be levied in the future. The rate indicated above is an estimate and will change once the district is created and bonds are issued. More information is available in the [FAQ](#) section of this website.
8. The Proposed Estimated Total includes all actual and proposed taxes and non-tax charges relative to this property.
9. This is a one time charge assessed against this property and is not an annual fee. It should be paid before the property is sold and will remain due until paid.
