Center Mills Mill, Pennsylvania

 **Date:** 21 May 2017

 **Place:** Center Mills, Menallen, Adams, Pennsylvania, USA

 **Description:** The mill building pictured here was erected in 1841 to replace the original mill at this site built by James McGrew in 1749. In the lower left corner Jameson McGrew converses with current owner as of 2017, JOHN Longanecker, who indicated that he believed the 1841 mill was erected on the original stone foundation.
